

**PROPAPA MISSIONS AMERICA
BRIGADE CAPTAIN OPERATIONS MANUAL
Permission for Minor to Leave the Country**

My child _____ is traveling under the supervision of Mr./Ms. _____ an adult official attached to the U.S. Based charity foundation ProPapa Missions America.¹

This youth has permission from his/her legal guardians to accompany this adult chaperon out of the country to the brigade service site and return.

As the youth is older than the standard airline policies governing “Children Traveling Unaccompanied by a Parent”, and the ProPapa chaperon has accepted all responsibilities for supervision during all related flights, no Airline Flight Service for Unaccompanied Children” is needed.
